SECRETARIAL AUDIT REPORT

Form No. MR-3

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

For the Financial Year ended 31st March, 2025

To,
The Members,
Jayabharat Credit Limited,
Mumbai.
CIN: L66000MH1943PLC003899

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by Jayabharat Credit Limited (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; ; *(Not Applicable during the audit period);-*
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 as amended from time to time;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and as amended from time to time;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; *(Not Applicable during the audit period)*
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; *(Not Applicable during the audit period)*
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; *(Not Applicable during the audit period)*
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealing with client; *(Not Applicable during the audit period)*
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; *(Not Applicable during the audit period)* and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. *(Not Applicable during the audit period)*
- (vi) I have relied on the representation and information provided by the management and its officers for systems and mechanism framed by the Company and having regard to the compliance system prevailing in the Company & on examination of the relevant documents and records in pursuance thereof, on test-check basis, no laws specifically applicable to the Company.

I have also examined compliance with the applicable provisions of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Listing agreement entered into by the Company with BSE Limited read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as amended from time to time.

To the best of my knowledge and belief, during the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors, Independent Directors and Woman Director. There were no changes in the composition of the Board of Directors and Key Managerial Personnel during the period under review.

Adequate notices of Board and Committee Meetings have been given to all the Directors. Agenda and detailed notes were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions is carried through while dissenting members' views, if any are captured and recorded as part of the minutes.

I further report that based on review of compliance mechanism established by the Company and on the basis of Compliance Certificates issued by the Company Secretary, I am of the opinion that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the year:

1. M/s Jagdish Chand & Company (Firm Registration No 000129N) Chartered Accountants was appointed as Statutory Auditors of the Company to hold office for a term of 5(five) years, from the conclusion of 80th Annual General Meeting of the Company till the conclusion of 85th Annual General meeting of the Company.
2. Approval of Related party transaction for the amount not exceeding the limit of ₹ 100 Crores including existing transaction/s of Inter Corporate Deposits borrowed/to be borrowed from the Related Parties for the financial year 2024-2025 and 2025-2026.

MANAGEMENT DISCUSSION AND ANALYSIS

(Pg. No. 18)

12.1 Industry Structure and Developments:

For the time being the disbursement /investment in the fresh Hire Purchase business is completely stopped for more than 4 years.

12.2 Opportunity and Threats:

The Company does not have any Public Deposit since it is fully paid off, as reported in Directors' Report.

12.3 Financials:

There was no fresh business exposure during the year.

(₹ in Lakhs)

		2024-25	2023-24
1	Income		
	Assets Finance	0.00	0.00
	Other Income	5.66	10.42
2.	Gross Profit (+) / Loss (-) before Depreciation	(91.70)	(105.63)
3.	Depreciation	0.68	(000.66)
4.	Profit (+) / Loss (-) After Depreciation	(92.38)	(106.29)
5.	Differed Tax	0.00	0.00
6.	Tax Provisions for earlier year with Interest	8.36	0.00
7.	Profit (+) / Loss (-) After Depreciation and Income Tax	(100.74)	(106.29)

12.4 Risk & Concerns:

The Company is consolidating its existing operations by realizing the over dues of the past business transacted. There was no fresh business exposure as funds available were utilized in repayment of deposits and meeting other commitments. The company's fear is that non business exposure to the existing clients sometimes leads to default in repayment which has a cascading effect on other customers for which suitable measures are being taken.

12.5 Internal Controls:

The Company has strong Internal Control System in place and is always reviewed continuously to meet the challenges of changing requirements.

12.6 Human Resources:

Your Company always regards human resources as its most valuable asset and continuously evolves policies and processes to attract and retain its substantial pool of managerial resources through friendly work environment that encourages initiatives by individuals and recognizes their performance.

12.7 Details of significant changes:

The Company has already written off its Trade Receivables and Financial Assets as per the discussion with RBI for its confirmation as to cancellation of Certificate of Registration (COR) and accordingly COR is cancelled by RBI.

12.8 Personnel:

The Company has strong, dedicated, experienced and trained personnel to meet with the challenge/s, if any, for business requirements. The staff strength of the Company as on 31st March 2025 is 4(four)

12.9 Disclaimer:

Certain Statements in the Management Discussion and Analysis describing the Company's views about the industry, expectations, objectives, etc; may be understood within the meaning of applicable Laws and Regulations. Factors like changes in Government Regulations, Tax Laws and Other Factors such as Industrial Relations and Economic Developments etc may further influence the Company's activities.

INDEPENDENT AUDITOR'S REPORT

To The Members of **JAYABHARAT CREDIT LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Jayabharat Credit Limited ("the Company")**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity for the year then ended, notes to the financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its loss, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty Related To Going Concern

As on 31st March, 2025, the company has accumulated losses of ₹ 7,553.67 lakhs and incurred Net Loss of ₹ 100.74 Lakhs during the year ended 31st March, 2025 and as of that date the company's current liabilities exceeded its total assets by ₹ 6,085.97 Lakh. The company has negative net worth of ₹ 6,085.97 lakhs as on 31st March, 2025. The company is not into active business at present. This indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a Going Concern. The company has received continuing support from promoters as Inter Corporate Deposits for ₹ 6,046.30 Lakhs, accordingly the Financial Results have been prepared on Going Concern Basis. Also refer Note No. 28.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above, when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting

records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern, basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income) the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanation given to us, no managerial remuneration has been paid/ provided for the year ended 31st March, 2025.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March 2025 on its financial position in its Financial Statements (refer Note 18 to the Financial Statements)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March 2025.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2025.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not paid or declared dividend during the year and until the date of this report.

- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the Audit Trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 2(f) of the Independent Auditors’ Report of even date to the members of Jayabharat Credit Limited on the financial statements for the year ended 31st March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Jayabharat Credit Limited (“the Company”) as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management and Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTE – 1

MATERIAL ACCOUNTING POLICIES

1.1 COMPANY OVERVIEW

Jayabharat Credit Limited (referred to as “the Company” (CIN: L66000MH1943PLC003899) was incorporated under the laws of the Republic of India under Companies Act, 1913 with its Registered Office at 19-20 Rajabhadur Mansion, 4th Floor, 22, Mumbai Samachar Marg, Opposite SBI Main Branch Mumbai Maharashtra 400023. Incorporated in 1943, the company was in the business of Hire Purchase and leasing and originally registered with RBI under the status of Non- Banking Finance Company (NBFC) with Deposit taking Company. The Company is now ceased to be Non-Banking Finance Company (NBFC) as per RBI letter No. DNBS/ MRO1004/01.046/2019-20 dated 13th January,2020.

1.2 GENERAL INFORMATION AND STATEMENT OF COMPLIANCE WITH IND AS

The Company is headquartered in Mumbai, India. The shares of the Company are listed on Bombay Stock Exchange (BSE).

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (IND AS) notified under Companies (Indian Accounting Standards) Rules, 2015.

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

- I. Certain Financial Assets and Financial Liabilities and Contingent Consideration that are measured at fair value
- II. Assets held for sale measured at lower of cost or fair value less cost to sell
- III. Defined benefit plan assets measured at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services at the date of respective transactions.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All amounts disclosed in the financial statement and notes have been rounded off to the nearest ₹ in lakh up to two decimals unless otherwise stated.

The Financial Statements for the year ended 31st March, 2025 were authorized and approved for issue by the Board of Directors on 20th May 2025.

NOTE – 2

SUMMARY OF MATERIAL ACCOUNTING POLICIES

The Financial Statements have been prepared using the Accounting Policies and measurement basis summarized below.

2.1 PROPERTY, PLANT AND EQUIPMENT

2.1.1 RECOGNITION

Property, Plant and Equipment are stated at historical cost, less accumulated depreciation/amortized and impairments, if any. Historical cost includes taxes, duties, freight and other incidental expenses related to acquisition & installation.

2.1.2 SUBSEQUENT MEASUREMENT

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

All other repairs & maintenance are charged to profit or loss.

2.1.3 DEPRECIATION

Depreciation on Property, Plant and Equipment is charged on WDV method on useful life prescribed under Part C of Schedule II of the Companies Act, 2013.

The following useful lives are applied:

Asset category	Estimated useful life (in years)
Buildings	
- Building	55 – 80 Years
Furniture and Fittings	10 Years
Office Equipment & Electrical Installations	05 - 15 Years
Computers	
- End user devices viz. desktops, laptops, etc.	03 Years

Property, Plant and Equipment individually costing upto ₹ 10,000 are fully depreciated in the year of acquisition.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.1.4 DE-RECOGNITION

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss account when the asset is derecognised.

2.2 IMPAIRMENT OF NON FINANCIAL ASSETS

Carrying amount of assets is reviewed at each reporting date where there is any indication of impairment based on internal/ external indicators. An impairment loss is recognised in the Statement of Profit and Loss where carrying amount exceeds recoverable amount of assets. Impairment loss is reversed, if, there is change in recoverable amount and such loss either no longer exists or has decreased or indication on which impairment was recognised no longer exists.

2.3 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.3.1 FINANCIAL ASSETS

2.3.1.1 INITIAL RECOGNITION AND MEASUREMENT

Financial Assets are recognised when the Company becomes a party to the contractual provisions of the Financial Instrument and are measured initially at fair value adjusted for transaction costs that are attributable to the acquisition of the financial asset.

2.3.1.2 SUBSEQUENT MEASUREMENT

Debt Instruments at Amortised Cost– A ‘debt instrument’ is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such Financial Assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. All other debt instruments are measured at Fair Value through Other Comprehensive Income (FVOCI) or Fair value through Profit and Loss (FVTPL) based on Company’s business model.

2.3.1.3 IMPAIRMENT OF FINANCIAL ASSETS

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost.

- **Financial Assets measured as at amortised cost:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

- **Debt instruments measured at FVTPL:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. The change in fair value is taken to the statement of Profit and Loss.
- **Debt instruments measured at FVTOCI:** Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'Accumulated Impairment Amount' in the OCI. The Company does not have any Purchased or Originated Credit Impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

2.3.1.4 DE-RECOGNITION OF FINANCIAL ASSETS

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'passthrough' arrangement; and either
 - The Company has transferred substantially all the risks and rewards of the asset, or
 - The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

2.3.2 FINANCIAL LIABILITIES

2.3.2.1 INITIAL RECOGNITION AND MEASUREMENT

Financial liabilities are classified at initial recognition as financial liabilities at fair value through Profit or Loss, Loans and Borrowings, and Payables, net of directly attributable transaction costs. The Company's financial liabilities include Intercompany Deposits received and Loans Other Payables.

All Financial Liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the Financial Liabilities is also adjusted. Financial Liabilities are classified as amortised cost.

The measurement of financial liabilities depends on their classification, as described below:

- Financial liabilities at Fair Value Through Statement of Profit and Loss** - Financial liabilities at Fair Value through statement of Profit and Loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at Fair Value through statement of Profit and Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.
- Loans and Borrowings** - After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (hereinafter referred as EIR) method. Gains and Losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as Finance Costs in the statement of profit and loss.
- Other Payables** - These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

2.3.2.2 SUBSEQUENT MEASUREMENT

Subsequent to initial recognition, these liabilities are measured at Amortised Cost using the Effective Interest Rate (EIR) method.

2.3.2.3 DE-RECOGNITION OF FINANCIAL LIABILITIES

A Financial Liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. Consequently, write back of unsettled credit balances is done on the previous experience of Management and actual facts of each case and recognised in Other Income. When an existing Financial Liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.3.3 OFFSETTING OF FINANCIAL INSTRUMENTS

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.4 CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise cash in hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and demand deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

2.5 TAXES

2.5.1 CURRENT INCOME TAX

Current Income Tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside Profit or Loss is recognised outside profit or loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2.5.2 DEFERRED TAX

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Tax expense for the year comprises of current tax and deferred tax.

2.5.3 INDIRECT TAX

Expenses and assets are recognised net of the amount of GST/ Service Tax paid, except:

- i. When the tax incurred on a purchase of assets or services is not recoverable from the tax authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- ii. When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

2.6 EQUITY AND RESERVES

- i. **Share Capital** represents the nominal value of shares that have been issued. Any transaction costs associated with the issuing of shares are deducted from retained earnings, net of any related income tax benefits.
- ii. **Other Components of Equity** includes Other Comprehensive Income (OCI) arising from actuarial gain or loss on re-measurement of defined benefit liability and return on plan assets and Net (loss)/gain on FVTOCI equity securities. The balance in OCI may be transferred from OCI to retained earnings when the asset is retired from use or disposed by the company.
- iii. **Retained Earnings** include all current and prior period retained profits.

2.7 DIVIDEND PAYMENTS

Annual dividend distribution to shareholders is recognised as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend payable and corresponding tax on Dividend Distribution is recognised directly in equity.

2.8 REVENUE RECOGNITION

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

2.9 INCOME RECOGNITION

2.9.1 INTEREST INCOME

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all contractual terms of the financial instrument but does not consider the expected credit losses.

2.9.2 OTHER INCOME

Other claims including interest on outstanding are accounted for when there is virtual certainty of ultimate collection.

2.10 EXPENDITURE

Expenses are accounted on accrual basis.

2.11 FUNCTIONAL AND PRESENTATION CURRENCY

The Financial Statements are presented in Indian Rupee (₹), which is Company's functional Currency and presentation currency.

2.12 EARNINGS PER SHARE

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares.

- i. **Basic EPS** is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.
- ii. **Diluted EPS** is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.13 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

2.13.1 PROVISIONS

Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost.

2.13.2 CONTINGENT LIABILITIES

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which management of the Company has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

2.13.3 CONTINGENT ASSETS

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

2.14 CASH FLOW STATEMENT

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.15 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

- i. An asset is classified as current when it is:
 - a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
 - b) Held primarily for the purpose of trading,
 - c) Expected to be realised within twelve months after the reporting period, or
 - d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- ii. All other assets are classified as non-current.
- iii. A liability is classified as current when it is:
 - a) Expected to be settled in normal operating cycle,
 - b) Held primarily for the purpose of trading,
 - c) Due to be settled within twelve months after the reporting period, or
 - d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- iv. All other liabilities are classified as non-current.
- v. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.
- vi. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.16 FAIR VALUE MEASUREMENT

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

Other Fair Value related disclosures are given in the relevant notes.

2.17 EXCEPTIONAL ITEMS

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance.

2.18 SIGNIFICANT MANAGEMENT JUDGEMENT IN APPLYING ACCOUNTING POLICIES AND ESTIMATION UNCERTAINTY

The preparation of Financial Statements requires management to make estimates and assumptions that affect the reported balances of assets, liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of income & expenses during the periods. Although these estimates and assumptions used in accompanying financial statements are based upon management's evaluation of relevant facts and circumstances as of date of financial statements which in management's opinion are prudent and reasonable, actual results may differ from estimates and assumptions used in preparing accompanying financial statements. Any revision to accounting estimates is recognized prospectively from the period in which results are known/ materialise in accordance with applicable Indian accounting standards.

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below.

2.19 SIGNIFICANT MANAGEMENT JUDGEMENTS

The following are Significant Management Judgements in applying the Accounting Policies of the Company that have the most significant effect on the Financial Statements.

2.19.1 EVALUATION OF INDICATORS FOR IMPAIRMENT OF ASSETS

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

2.20 ESTIMATION UNCERTAINTY

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below.

2.20.1 IMPAIRMENT OF FINANCIAL ASSETS

The impairment provisions of financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

2.20.2 INCOME TAXES

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income. Given the wide range of business relationships and the long term nature and complexity of existing contractual agreements, differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Company establishes provisions, based on reasonable estimates. The amount of such provisions is based on various factors, such as experience of previous tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on a wide variety of issues depending on the conditions prevailing in the respective domicile of the companies.

2.20.3 PROVISIONS AND CONTINGENCIES

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

2.21 Recent Pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

- For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.
- The Ministry of Corporate Affairs (MCA) has issued amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, through the Companies (Indian Accounting Standards) Amendment Rules, 2025. The amendments are effective for annual periods beginning on or after April 1, 2025, with early adoption permitted. The Company is in the process of evaluating the potential impact of these amendments on its financial statements.

SECURITIES PREMIUM

The amount received in excess of Par Value of the equity shares is recognised in Securities Premium Reserve. In case of equity-settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium reserve.

STATUTORY RESERVE (U/S 45-IC OF RBI ACT, 1934)

Statutory reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation.

GENERAL RESERVE

General Reserve represents the Statutory Reserve, this is in accordance with Corporate law wherein a portion of profit is apportioned to General Reserve. Under Companies Act, 1956 it was mandatory to transfer amount before a company can declare dividend, however under Companies Act, 2013 transfer of any amount to General Reserve is at the discretion of the Company.

RETAINED EARNINGS

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

Note - 21**FAIR VALUE MEASUREMENTS**

The carrying amounts of Financial Assets and Financial Liabilities in each category are as follows:

PARTICULARS	NOTE REFERENCE	31 st March 2025				31 st March 2024			
		FVPL	FVOCI	AMORTIZED COST	FAIR VALUE	FVPL	FVOCI	AMORTIZED COST	FAIR VALUE
Financial Assets									
Cash and Bank Balances	4			6.70	6.70	-	-	2.47	2.47
Other Bank Balances				-	-	-	-	-	-
Other Financial Assets				-	-	-	-	-	-

Total Financial Liabilities		6,046.30	-	-	6,046.30	5,908.58	-	-	5,908.58

The carrying amount of Cash & Cash Equivalent, Other Bank Balances, Other Financial Assets are considered to be the same as their Fair Values due to their short term nature.

The carrying amount of the Financial Assets and Liabilities carried Amortised Cost is considered a reasonable approximation of Fair Value.

Note - 22

FAIR VALUE HIERARCHY

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(All amounts in ₹ in Lakhs unless stated otherwise)					
Financial Assets and Liabilities measured at Fair value - recurring Fair value measurements as on March 31, 2025	NOTE REFERENCE	Level 1	Level 2	Level 3	Total
Financial Liabilities					
Borrowings	8	-	-	6,046.30	6,046.30
Financial Assets and Liabilities measured at Fair value - recurring Fair value measurements as on March 31, 2024	NOTE REFERENCE	Level 1	Level 2	Level 3	Total
Financial Liabilities					
Borrowings	8	-	-	5,908.58	5,908.58

The Fair value of financial instruments as referred to in note above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical Assets or Liabilities (level 1 measurement) and lowest priority to unobservable inputs (level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: The fair value of Financial Instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The Company's policy is to recognize transfers into and transfer out of fair value hierarchy levels as at the end of the reporting period.

Note - 23

FINANCIAL RISK MANAGEMENT

The Company's businesses are subject to several risks and uncertainties including financial risks. The Company's documented risk management policies, act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as interest rate risk, counterparty and concentration of credit risk and capital management.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors and Audit Committee. This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

23.1. INTEREST RATE RISK

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The Company's exposure to and management of these risks are explained below.

23.1.1. INTEREST RATE RISK - POTENTIAL IMPACT OF RISK & MANAGEMENT POLICY

The Company is mainly exposed to the interest rate risk due to its investment in term deposits with banks. The Company invests in term deposits for a period of up to five year. Considering the short-term nature, there is no significant interest rate risk pertaining to these deposits.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates and term deposits. The Company's fixed rate borrowings and deposits are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate of borrowings.

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

(All amounts in ₹ in Lakhs unless stated otherwise)

PARTICULARS	As at 31 st March 2025	As at 31 st March 2024
Variable rate borrowings	-	-
Interest free borrowings	6,046.30	5,908.58
Fixed rate borrowings	-	-
Total borrowings	6,046.30	5,908.58

23.2. CREDIT RISK

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

The Company is exposed to credit risk from its operating activities (primarily its investing activities including deposits with banks and cash and cash equivalents).

For financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks. The carrying value of the financial assets other than cash represents the maximum credit exposure.

None of the Company's cash equivalents, including flexi deposits with banks, are past due or impaired.

The Company assesses and manages credit risk of Financial Assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of Financial Assets.

A: Low Credit Risk

B: Moderate Credit Risk

C: High Credit Risk

The Company provides for Expected Credit Loss based on the following:

23.3. LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2025 and 31st March, 2024.

The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

CAPITAL MANAGEMENT

24.1. RISK MANAGEMENT

Capital management is driven by Company's policy to maintain a sound capital base to support the continued development of its business. The Board of Directors seeks to maintain a prudent balance between different components of the Company's capital. The Management monitors the capital structure and the net financial debt at individual currency level. Net financial debt is defined as current and non-current financial liabilities less cash and cash equivalents and short term investments.

The Company monitors capital using gearing ratio, which is net debt divided by total capital.
